## Anchor in the North Sea marinas !

Marinas participate to the economic development of nautical industry and tourism in all countries.

Belgium, North of France, the Netherlands, England are very attractive as sailing areas in the North sea. So as to develop the sailing activity from and to these countries, the following marinas have decided a partnership agreement dedicated to their berth holders.

They create the first «North sea sailing route» which encourages sailors to cruise and moor in some dedicated marinas.

The 2018 benefits to the owners of yachts or motor vessels berthed at

- Etaples-sur-Mer (France)
- Boulogne-sur-Mer (France)
- Calais (France)
- Gravelines (France)
- Dunkerque (France)
- KYCNieuwpoort (Belgium)
- Mercator marina Ostende (Belgium)
- Royal Scarphout Yachtclub Blankenberge (Belgium)
- Royal Belgian sailing club Zeebrugge (Belgium)
- Marina Port Zeland (Netherlands)
- Andijk marina (Netherlands)
- Tollesbury marina (England)
- Dover marina (England)

A **50% visitor's berthing discount for up to three days** per year in each member marina.

To benefit from this offer, the marinas members will have to display their marina card on arrival otherwise no discount will be accepted.

Any additional benefit shall be at the discretion of the individual marina.

It is advisable to contact the marinas before coming to check the number of berths available, mainly in high season.
